

About the Client

Music Blog

A website that showcases my (Sara's :D) diverse music taste and maybe some very unprofessional opinions(?)

Background

The background

Maybe using Spotify as the inspiration I could use the album covers to show which piece of music I'm "reviewing."

Brand personality

- Calm
- Explorative
- Open-minded

Target Audience

Anyone who's interested in music and wants to hear another persons opinion.

Creative Direction

A comfy stroll around dusk, very dark cozy vibes.
